NSSED Foundation Accepting Scholarship Applications

The Northern Suburban Special Education District (NSSED) Foundation is now accepting applications for the 2019 Kinnett Scholarship for College/Further Education for graduating seniors at NSSED-affiliated high schools. Up to five \$1,000 scholarships will be awarded to students who have received special education services and plan to pursue further education, as well as students who intend to pursue a college degree in special education.

NSSED-affiliated high school districts include Deerfield and Highland Park High School District 113, Glenbrook High School District 225, New Trier High School District 203 and Lake Forest High School District 115. Applications are available at nssed.org and are due April 5, 2019. (<https://sites.google.com/a/nssed.org/foundation/collegeeducation>)

The Kinnett Scholarship for College/Further Education was established with a bequest to the NSSED Foundation from the estates of Frances and Betty Lou Kinnett – long-time community members who shared a deep commitment to education. The NSSED Foundation is a non-profit organization providing non-mandated yet vital services and support to the 6000 students with disabilities currently residing in the northern suburbs. The NSSED Foundation depends solely on tax-deductible donations and no funds are received from local school districts or NSSED.
