GRADE POINT AVERAGE

Two separate grade point averages based on a 4.0 scale are computed for each student:

All-subject GPA includes all courses, no weighting system is used, and all courses are considered of equal value.

Academic GPA includes courses in the areas of English, world language, mathematics, science, social studies or other elective courses at the Advanced Placement or honors level.

All-subject and academic grade point averages are not used to determine a class rank for students. Board policy prohibits any information indicating a relative class rank using either the all-subject or academic grade point averages to be issued internally or externally to staff, students, parents, other academic institutions or agencies.

Letter grades (designated with an (*) asterisk) earned and received from outside the district will be recorded on a student's transcript but will not be counted in the student's grade point average.

COURSE DESIGNATIONS

Glenbrook North High School uses a combination of titles and numbers for course designations. Under this system, the first digit indicates the sequence in a series of courses, the second digit indicates the academic level, and the third digit indicates the sequence within the course.

FIRST DIGIT: Sequence in Series of Courses

- 1 - denotes the first course
- 2 - denotes the second course
- 3 - denotes the third course
- 4 - denotes the fourth course
- 5 - denotes the fifth course

SECOND DIGIT: Academic Level

- 9 – Academy
(Highly accredited, integrated Studies in English, Social Studies, and World Language)
- 8 - Advanced Placement
- 7 - Honors
- 6 - Regular/G/GT/GTA

THIRD DIGIT: Sequence within the Course

- 1 - represents first semester course content
- 2 - represents second semester course content
- 3 - represents first and second semester course content

GLENBROOK SCHOLAR

A student whose cumulative academic grade point average is 4.50 or higher and all-subject grade point average is 3.50 or higher at the end of the 7th semester will be named a Glenbrook Scholar.

COVID-19: INSTRUCTION & GRADING

Spring 2020

In response to the State of Illinois' position on "Do No Harm to Students", Glenbrook District 225 established baseline grades as of March 13, 2020 for each student. From that point on, grades could only be improved. Students were given the option at the end of the semester to list a grade of A-D, or to list a passing grade of P. No final exams were given. Semester grades are factored into the overall GPA.

Fall 2020

4-Step Return to Classroom Plan

Assessments will be delivered; grades will include traditional grading A-F, due dates will be enforced, and attendance will be taken to create a classroom environment.

Step 1:

All Students E-Learning with Extracurricular Activities

Students will follow a structured schedule with required synchronous learning experiences as part of every class as new content is introduced by teachers. Additional tiers of academic services will be available as needed to support student success and well-being. Students will be expected to activate their cameras to be visually apart of the class when participating in synchronous e-learning.

Step 2:

E-Learning with Gradual Return of Designated Groups

Step 3:

AM/PM Hybrid Schedule

Students attend classes onsite 50 percent of the time and continue with E-learning 50 percent of the time. Students will attend in the morning or afternoon determined by an alphabetic group assignment.

Step 4:

All Students In-Person

Students and families have the choice to remain with remote learning through steps 2-4. Due to the unpredictable nature of COVID-19, it is expected we may move back and forth between Steps 1-4 throughout the 2020-21 school year.
